

(Oh! look at those fluffy creatures!)

Mimo Mimo Mimo

Hi Mimo!

Mimo Mimo Mimo

we are flying with Mimo

Mimo Mimo

Mimo, do you know where is the magic flower

we need to find that for our Lily

Mimo Mimo

(That's great! could you bring us there?)

Mimo Mimo

we are heading to the magic flower

we are heading to the magic flower!

wa!

the mountain is shining on the top

we are sure that is where we can find the magic flower

we are heading to the magic flower

we are heading to the magic flower!

Mimo Mimo

we are heading to the magic flower

we are heading to the magic flower!

Mimo Mimo

we are heading to the magic flower

we are heading to the magic flower!

Mimo Mimo

wa that's the magic flower

I can't believe that we finally get the magic flower!

it's shining

it's blooming

it's healing

it's tasty

(And it's magic )

Over the sea waves, we'll sail so free,

Every light that we collect,

Leads us closer, hearts connect,

Like a midnight dream we're longing to see.

Nature sings its melody,  
In harmony, we're heard!  
Hand in hand, we wander,  
Underneath the starry sky,  
we hope lily will like the gift and feel our love.

(Oh, I can't wait to give this to Lily)
